At-One Initial Assessment

To include

Review of Home, School, Life;

Assessment for Specific Learning Difficulties;

Looking at behaviors and communication;

Health aspects.

Finding the root causes of all these difficulties and suggesting ways to remediate all of them.

Then the child / teenager feels At-One with life: calm, comfortable, communicative with words rather than behaviours, happy and purposeful.

Initial questionnaires discussion;

Parental follow-up discussion without the child / teenager

Short Report

Reasons for Disability Allowance are often found, and sometimes Respite Funding.

Total: £250

Follow-up sessions £65 per hour.

Please pay cash at assessment, or use transfer.
